Item 2

Renewal of the powers granted to the board of directors in the framework of the authorized capital

Second resolution

Proposed resolution:

- The general meeting resolves to cancel the existing authorization as granted to the board of directors on 26 April 2016. It resolves to grant a new authorization to the board of directors to increase the capital of the company in one or more times by a maximum amount of EUR

55,000,000 for a duration of five years. Accordingly, the shareholders' meeting resolves to replace the provisions of Article 6 of the articles of association ("Authorized Capital") by the following text:

"In accordance with the terms of a resolution adopted at the extraordinary general meeting held on [26 April 2018], the board of directors is authorized, for a period of five years starting on the date the aforementioned decision is published in the Riders to the Belgian Official Gazette, to increase the share capital by a maximum amount of EUR 55,000,000 according to the terms and conditions it shall define.

The board may carry out this increase in one or more times, either by contributions in cash or, subject to legal restrictions, contributions in kind, as well as by incorporation of reserves, whether available or unavailable for distribution, or of share premiums, with or without issuing new stock. These increases may give rise to the issuance of shares with voting rights, of convertible bonds, as well as of subscription rights or other securities, whether or not attached to other stock of the company, or attached to stock issued by another company. The board may freely determine whether the new shares shall be issued in registered or dematerialised form.

On this occasion, the board may, in the best interests of the company and in accordance with legal provisions, limit or cancel the preferential subscription rights of shareholders, in favour of one or more designated persons who, as the case may be, are not employed by the company or its subsidiaries.

If the capital increase includes a share premium, the amount of this premium shall be allocated to an unavailable "share premium" reserve, from which it may not be withdrawn in whole or part except to be incorporated into the capital by a decision of the board of directors using, should the case arise, the authorization conferred upon it by this clause, or to be reduced or cancelled by a decision of the general meeting of shareholders in accordance with the conditions required for an amendment of the articles of association."
